Title: Synchronous Amplitude Modulation for Improved Performance of Optical Transmission Systems

AMENDMENT AFTER FINAL REJECTION PURSUANT TO 37 CFR 1.116

This is in response to the Final Action in this case mailed December 2, 2008. Applicant hereby petitions for a one-month extension of time to extend the term for response to April 2, 2009. Applicant(s) believes no other extension of time is required. However, Applicant(s) conditionally petitions for an extension of time to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge Deposit Account No. 50-2121 for any required fee, or for any deficiency in the enclosed fee.

Applicant(s) appreciates the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
